

GCA Board Engagement Survey

The Board of Directors (board) of Greenwood Christian Academy (GCA) exists to establish, protect and evaluate the overall purpose, mission and vision of the school. The board is comprised of volunteer members who seek to use their talents and resources to the glory of God; to further the school's mission; and to represent the school to the broader community.

The board's role in the protection of the GCA mission is critical. For members, this requires a heart intent on service, governorship, support, ambassadorship and advisership to enable the Superintendent and their team to succeed. Accordingly, the following survey helps direct and focus the board's efforts and assists the GCA executive leadership team in their planning for the year ahead.
